Dear Prof. Tang,

We are pleased to invite you to be a keynote speaker at the International Symposium on Computational Geomechanics, which will be held at Hong Kong University of Science and Technology (HKUST), Hong Kong, from 3-6 March 2024. The conference is proudly sponsored by the Croucher Foundation, K.C. Wong Education Foundation, Institute for Advanced Studies, and the Department of Civil and Environmental Engineering of HKUST. It is a special workshop organized under the auspices of TC105 Micromechanics and TC103 Numerical Method in Geomechanics of the International Society of Soil Mechanics and Geotechnical Engineering (ISSMGE).

As one of the world's leading scholars working actively on computational geomechanics, we would be honored to have you as a keynote speaker at our workshop. The workshop is by invitation only and will feature 80+ outstanding talks by world-leading scholars working actively on computational geomechanics. We thank you for kindly accepting our invitation by email earlier as one of these keynote speakers. As our invited keynote speaker, your registration will be waived. In addition, we are happy to announce that we have received funding from the K.C. Wong Education Foundation (王寬誠基金會) to cover your accommodation over the conference period (up to 5 nights at our conference arranged hotel).

If you require further assistance or have any questions, please do not hesitate to contact us. We look forward to meeting you in Hong Kong in March 2024.

Yours sincerely,

Jidong Zhao, Ph.D., Conference Chair  
Professor in Computational Geomechanics  
Chang Jiang Scholar Chair Professor of MOE  
Department of Civil and Environmental Engineering
