*Reference: 55th Lunar and Planetary Science Conference, The Woodlands, Texas/Virtual*

To Prof. Ai-Cheng Zhang:

Thank you for your interest in attending the 55th Lunar and Planetary Science Conference in The Woodlands, Texas/Virtual on March 11-15, 2024. The website for the conference is <https://www.hou.usra.edu/meetings/lpsc2024/>.

This conference brings together international specialists in petrology, geochemistry, geophysics, geology, and astronomy to present the latest results of research in planetary science. The conference will be organized by the Lunar and Planetary Institute, and will provide a unique opportunity for scientists from around the world to talk about the latest results of their research and current planetary science missions.

Sincerely,

Lunar and Planetary Institute
